

What We Believe

We believe that there is one living and true God, eternally and perfectly existing in three persons: the Father, the Son and the Holy Spirit. This triunity is equal in power and glory and has created all, upholds all and governs all.

We believe that the Scriptures of the Old and New Testaments are the Word of God, fully inspired and without error in the original autographs, and the infallible rule of faith and practice for the church today.

We believe that all people are sinners by nature and choice and, therefore, are under condemnation, and that God regenerates by the Holy Spirit and saves those who repent of their sins and confess Jesus Christ as Lord.

We believe in the continuing work of the Holy Spirit to indwell, sanctify and empower for ministry all who believe in Jesus Christ and that He is our abiding Helper, Teacher and Guide.

Theological Studies Curriculum

The Theological Studies curriculum of the Calvary Chapel School of Ministry is a program designed to equip those students wanting to grow in their knowledge and have a desire to serve in the Body of Christ. Some students may also choose to prepare for extended education possibilities.

Classes of the Theological Studies curriculum are conducted in two parts: a weekly lecture recorded on DVD for home study and evaluation and an in-classroom discussion one evening per week. Two courses (two credits each) are conducted each twelve-week term. There are five required terms for completion of the Theological Studies program totaling 20 credits.

The program is divided into three areas of specialization: Theology, Bible Training, and Practical Ministry.

Greek New Testament Curriculum

The Greek New Testament curriculum of the Calvary Chapel School of Ministry is designed so that students may gain the ability to read and study the Greek New Testament. The time invested in learning this tool for ministry will return a thousand fold in the blessings of delving into the scriptures in a way not possible without this ability.

The first year will concentrate on obtaining a basic knowledge of accidence (the formation of words) and syntax (how the words function together in sentences). Within the First Year Greek New Testament, the student will also be introduced to the Greek New Testament text, textual criticism, and the use of a Greek concordance to study words in their context in the Greek New Testament.

The second year will concentrate on advancing the students' knowledge of syntax while reading the Greek New Testament and conducting exhaustive word studies. Discussions concerning textual history, evidence, and criticism will be integrated into the examination of the Greek text.

Upon demand, a third year will be offered in which books of the Greek New Testament will be read and studied in depth.

Certification

A certificate of completion is awarded in the Theological Studies Curriculum and the Greek New Testament Curriculum upon completion of all required credits with a grade of "C" or better. An advanced certificate of completion is awarded in the Theological Studies Curriculum upon completion of 22 credits (the required courses plus one elective), with a grade of "C" or better in all areas of study.
